## Letter of thanks

*Dear Sirs and madam,*

*We sincerely thank you so much for visiting our booth at the International Powder & Bulk Solids Chicago 2010 held at Donald E. Stephens Convention Center from May 4<sup>th</sup> to 6<sup>th</sup>.*

*We appreciate your taking time with us at the exhibition.*

*We are delighted to have such a lot of interests and inquiries for our latest products and technologies, which we've launched this time at the show in US on the basis of our success in Japan.*

- *Bulk material level measurement (radar, ultrasonic, sounding, etc.)*
- *Microwave based non-contact flow measurement*
- *Belt conveyor safety and automation devices*
- *Specific solutions in iron & steel, cement, power, food, chemical, etc*

*You will be welcome also at our website: [www.matusima.co.jp](http://www.matusima.co.jp)*

*If you have any more question or inquiry, please feel free to contact us at the undersigned.*

*Again it was our great pleasure having you on the show.*

*We wish you continued success and happiness.*

*Best regards,*
