**Booth layout**
The booth allocations will be decided by the exhibition organizer in consideration of the following factors and announced to the participants at the briefing session:
1. Participation record in the past (number of participations),
2. Application order,
3. Required number of booth,
4. Product to exhibit,
5. Product demonstration is taking place or not.

**Prohibitions**
It is prohibited for the participants or applicants to sublet, sell, assign or exchange the exhibition space as a whole or part.

**Continuous Presence by the Exhibitor's Representative**
Exhibitors or their agents are requested to take part in their booth continually by their representative wearing the exhibitor's badge designated by the exhibition organizer on whole days through the exhibition period, attend the visitors and take care of their exhibits.

**Warranties**
In the event that the exhibitor or its agent has caused any damage to the booth of others or facility and personnel at the exhibition site, the exhibitor should bear the responsibility.

**Insurance**
We recommend for the exhibitors to cover the insurance against loss or damage of whatever is necessary during the exhibition period.

**Postponement or Discontinuation of Exhibition**
In the event that opening of the exhibition is deemed to be difficult and postponed or discontinued due to the natural or human disaster or force majeure, the organizer will decide to postpone or discontinue the exhibition. When discontinued, the paid-in fees will be refunded to the exhibitor by deducting all necessary expenses but the organizer is not liable for any other costs already incurred to the exhibitor.

**Carry in, Carry out and Removal of Exhibits**

The dates of carrying in the exhibits to the exhibition hall and the time frame required for installation works will be explained in detail at the briefing session for the exhibitors. Carrying in, carrying out, relocation and removal of the exhibits during the exhibition period are not allowed. The exhibitors should be liable for maintenance and cleaning of the booth and exhibits.

In the event that the exhibits and any other articles belonged to the exhibitor are not removed before the designated deadline, the organizer will do so at the exhibitor’s risk and expense.

**Using Microphone and Volume Restriction**

In relation to the neighboring booths, the maximum volume of microphone and AV equipment used at the booth and any sounds generated by the exhibits should be 75 db (when measured at the distance of 2 meters from the booth front and 1 meter height).

The live music performance is strictly prohibited.

**Liabilities and Immunities of Exhibition Management**

The exhibition organizer is entitled to set and amend various rules to perform smoother management of the exhibition and from time to time, add new rules and alterations to this terms and conditions.

In case the exhibitor violates any of the exhibition rules, regulations and other exhibitor’s manuals, the organizer may decline his participation and the fees already paid in will not be refunded.

Although the exhibition site will be totally secured by the professional security company whole way through the exhibition period from carrying in to removal, the organizer will not be liable for any damages, losses and robberies occurred to the exhibitors.
